RENEWAL OF CONTINUING CONNECTED TRANSACTIONS

The Directors are pleased to announce that on 21 November 2011, an agreement was entered into between Gieves and Wensum (the "2011 Agreement"). The 2011 Agreement sets out the terms and conditions under which Gieves may place orders with Wensum for supply of certain finished tailored menswear or their components for the three years ending on 31 December 2014.

Wensum is a wholly-owned subsidiary of WTC which is a substantial shareholder of the Company. Hence, Wensum is a Connected Person of the Company under the Listing Rules. Accordingly, the transactions contemplated under the 2011 Agreement (the "Transactions") will constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

It is estimated that the maximum aggregate annual values of the Transactions for the three years ending 31 December 2012, 31 December 2013 and 31 December 2014 will be GBP4,100,000, GBP4,600,000 and GBP5,100,000 respectively (the "Annual Caps").

As it is anticipated that the applicable Percentage Ratios in respect of the Annual Caps exceed 0.1% but are less than 5%, the Transactions and the Annual Caps are therefore subject to the reporting and announcement requirements but are exempted from the independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

Background

Reference is made to the announcement dated 4 December 2008 made by the Company that, amongst other things, an agreement was entered into between Gieves and Wensum on that date (the "2008 Agreement") under which Gieves may place orders with Wensum for supply of certain finished tailored menswear or their components for the three years ending on 31 December 2011. The 2008 Agreement will therefore expire on 31 December 2011.

The Directors are pleased to announce that on 21 November 2011, the 2011 Agreement was entered into between Gieves and Wensum. The 2011 Agreement sets out the terms and conditions under which Gieves may place orders with Wensum for supply of certain finished tailored menswear or their components for the three years ending on 31 December 2014.

Summary of the 2011 Agreement

Date : 21 November 2011

Seller : Wensum

Buyer : Gieves

Term : from 1 January 2012 to 31 December 2014 (both days inclusive)

Pursuant to the 2011 Agreement, Gieves may buy certain finished tailored menswear or their components as specified in orders to be issued by Gieves to Wensum from time to time during the term. According to the 2011 Agreement, the purchases are on 30 days credit and 2.5% early settlement discount is allowed if payment is made within 30 days.

The terms of the 2011 Agreement are determined after arm's length negotiations between Gieves and Wensum and are similar to those of the 2008 Agreement.

Annual Caps

All orders will be placed by Gieves with Wensum at Wensum's quoted prices (which will be determined based upon market situation, including market prices from time to time and the prices of goods of quantities, specifications and types similar to those sold by Wensum to independent third parties). It is estimated that the Annual Caps for the three years ending 31 December 2012, 31 December 2013 and 31 December 2014 will be GBP4,100,000, GBP4,600,000 and GBP5,100,000 respectively. These estimates are made after taking into account the previous sales volumes, the expected business performance of Gieves and the upward trend of the prices of raw materials and components. The aggregate purchases made by Gieves from Wensum for the two years ended 31 December 2009 and 2010 and the ten-month period ended 31 October 2011 amounted to GBP3,338,000, GBP2,117,000 and GBP2,192,301 respectively. The Annual Caps do not represent any commitment on the part of Gieves but are estimates on the maximum business volume between Gieves and Wensum during the term of the 2011 Agreement.

Reasons for and benefits of the Transactions

Wensum has been a supplier of finished tailored menswear or their components to Gieves for many years and therefore mutual-trust business relationship between Wensum and Gieves has been built up over time. A stable and uninterrupted supply of quality goods from a trustworthy supplier is vital to the business operations of Gieves.

The Directors, including the independent non-executive directors, are of the view that the 2011 Agreement was, and the Transactions will be, entered into in the usual and ordinary course of business of Gieves and that the terms of the 2011 Agreement, the Transactions and the Annual Caps are fair and reasonable, on normal commercial terms and in the interests of the Company and its shareholders as a whole.

Wensum is a wholly-owned subsidiary of WTC which is a substantial shareholder of the Company. Hence, Wensum is a Connected Person of the Company under the Listing Rules. As it is anticipated that the applicable Percentage Ratios in respect of the Annual Caps exceed 0.1% but are less than 5%, the Transactions and the Annual Caps are therefore subject to the reporting and announcement requirements but are exempted from the independent shareholders' approval requirements under Chapter 14A of the Listing Rules.
