

Lanson Place Wins 2009 Tablet Hotels Selection Award Hotels Worldwide Honored for Excellence in Industry

March 2, 2009, Hong Kong – Tablet Hotels (www.TabletHotels.com), the world's leading source for unique luxury and boutique hotels, today announced that Lanson Place Hotel, Hong Kong was awarded the 2009 "Tablet Hotels Selection" Award. This award, which is being presented for the first time, recognizes Lanson Place Hotel, Hong Kong's excellence in service, accommodations and guest satisfaction - maintaining a consistent online guest rating above 17 out of 20 points.

"Tablet Hotels has distinguished itself as the hospitality industry's authority in the selection and presentation of special hotels worldwide," said Laurent Vernhes, CEO of Tablet Hotels. "Our award winners have played a vital role in Tablet Hotels' success, and we are proud to show our appreciation for the high standards they set for themselves and for the industry each day."

Three-hundred hotels received this year's award. Together they reflect, at the highest level, the qualities and the kinds of experiences that Tablet Hotels looks for and values in each of the hotels selected. They represent hotels of all sizes and from every geographic region – from bustling cosmopolitan centers to picturesque villages nestled into the farthest corners of the world.

Mrs. Karen Li, the Executive Director of Lanson Place Hospitality Management, said, "We are honored to have received such a prestigious award by Tablet Hotels. It does not only recognize our quality services and expertise in hospitality management, but also represents an international recognition towards our brand."

"We at Lanson Place always aim at giving our guests a 'home more than home' experience with the level of comfort and services they could never expect elsewhere. By upholding our quality and personalized services, we will strive to remain as one of the preferred choices among the world's most desirable hotels." Mr. Anson Chan, the General Manager of Lanson Place Hotel, Hong Kong added.
